PLAYA BLANCA 24 RESIDENCES – THE NEW BEACHFRONT LUXURY COMPLEX !!!

The Development

PLAYA BLANCA 24 RESIDENCES will have 18 luxury condos with a private infinity pool, storage rooms, parking and lush tropical gardens. The development will highlight the architectural style of Enrique Zozaya and accentuate the nature and beauty of Playa Blanca.

The Architecture

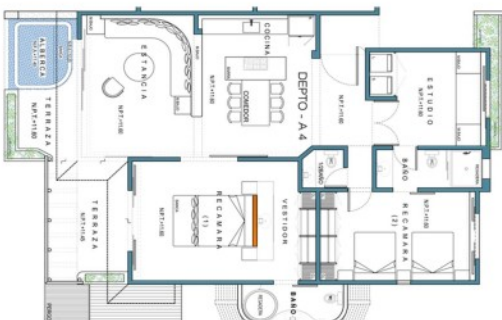

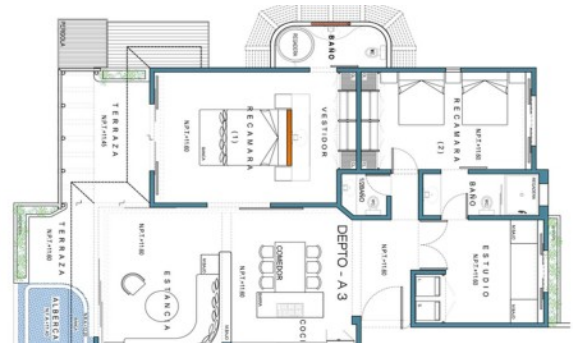

Having the project designed and built by architect Enrique Zozaya, you'll find the finest craftsmanship of Zihuatanejo for the luxury finishings. Using local materials and traditional building methods, Zozaya creates a special atmosphere. It's the paradise on the beach you've been looking for.

The Location

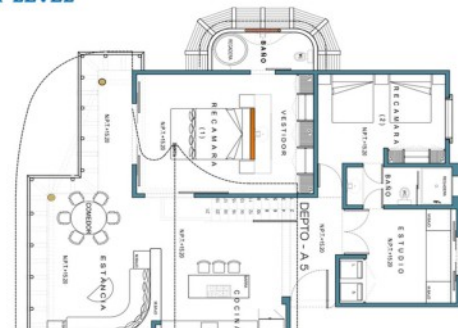

PLAYA BLANCA 24 RESIDENCES is located with 10 minutes of the Ixtapa-Zihuatanejo International Airport. Playa Blanca is a spectacular 16-kilometer beach with very little development. The lot is located approximately 20 minutes from the bay of Zihuatanejo and 30 minutes from Ixtapa. The beauty of the property is that it is on a 16-kilometer beach, close to an international airport, close to 2 major cities but set in pristine nature.
